

Holy Week Activities for Children

Day 4

JESUS IS BETRAYED AND TRIED

ACTIVITY

YOU'LL NEED:

- Index cards
- Pen

Prepare your game cards before playing this game. For every 5 players, draw an eye on one index card, and a stick figure on the rest of the cards.

This game is called, "Don't Wink At Me" and it will create a discussion of what it means to betray someone.

Kids should draw a card, but not tell anyone what is on it. If you have an eye on your card, then you're a betrayer and you will try to get others out by winking at them. You can't get caught winking though, so you must be sneaky about it. If you have a stick figure on your card, you should try to figure out who the betrayer is. If someone winks at you, you count to 10 silently, before laying down your card. Don't reveal who the betrayer is if you are out.

Talk about the word "betray". What does it mean to betray someone? Have you ever felt betrayed? Why do you think Jesus let himself be betrayed? How does what Jesus did show his love for us?
